DERRING™

BASK IN THE MAJESTY OF THE DERRING

Art meets craftsmanship in the bathroom with the very latest Artist Editions™ offering from Kohler.

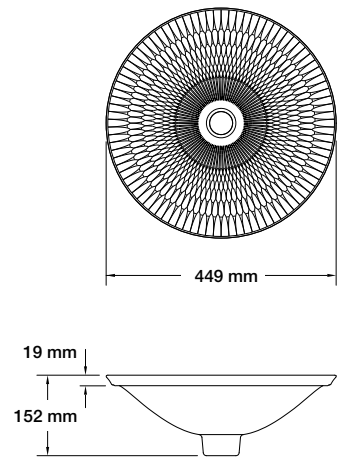

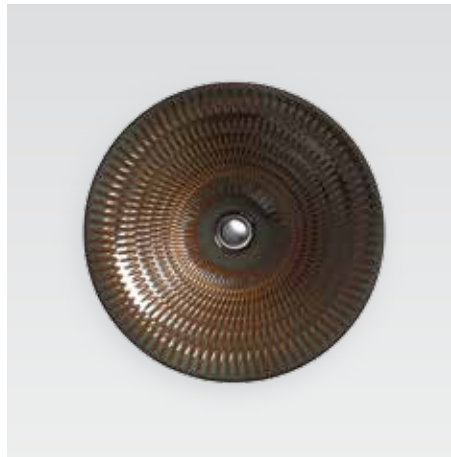

Hand-made and featuring a rarely used rutile mineral glaze, the Derring Wading Pool self-rimming basin is a study in textural beauty that cleverly combines glaze and pattern to create a palette of ever changing, light reflective neutral tones.

Featuring a hand-applied mineral glaze over a carved textural pattern creating a highly functional basin that is both easy to care for and durable, the hand-made process and natural glaze variations make each Derring Bourbon Rutile basin totally unique.

- Round basin with carved textural pattern inspired by studio pottery
- Features hand-applied artisanal mineral glaze making each basin unique
- No tap holes; requires wall or counter-mount basin mixer or set
- Recessed, low profile Wading Pool design accommodates a variety of tapware choices
- Easy to clean and maintain
