NEW KOHLER SLIM TRIM BATH/SHOWER MIXERS

KOHLER has taken the lead in developing a choice of trims for shower and bath mixes. The aesthetic advantage of the Slim Trims is that the peripheral hardware no longer dominates – which allows the true heroes, such as the showerhead and surface finishes, to shine!

- Easy installation with new compact valve
- 40mm ceramic disc cartridge
- Suitable for mains pressure
- Polished chrome
- KOHLER finishes resist tarnishing and corrosion
- 15 year warranty on all KOHLER tapware
- Also available in standard size trim kit with and without diverter
- Note: there is matching tapware available for each range of bath/shower mixers
