## **Your Kohler Lavatory**

Your Kohler lavatory has been made to beautifully withstand the rigors of your bathroom routine. More than simply a place to wash, your Kohler lavatory will bring style and character to your bath or powder room. This lavatory is made of the highest quality materials to ensure long-lasting beauty and durability.

## **Cleaning Your Vitreous China**

Clean the outside surface of your vitreous china lavatory with mild soap and warm water. Wipe the entire surface completely dry with a clean, soft cloth. You may use soft abrasive cleaners when necessary to clean your lavatory. Do not use strong abrasive cleaners, as they will scratch and dull the surface.

If the surface becomes excessively dirty, use a general purpose cleaner.

Clean your Kohler faucet and drain according to the Care and Cleaning instructions in your faucet Homeowners Guide.
