EVOK

BUBBLEMESSAGE™ HYDROTHERAPY

ENJOY A LUXURIOUS SPA EXPERIENCE AT HOME.

BubbleMassage hydrotherapy delivers thousands of tiny, champagne-like bubbles that will envelop your body in a warm, sensory embrace.

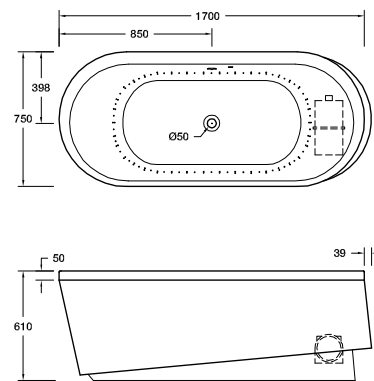

An air blower heats the water and the strategic placement of 122 BubbleMassage air-jets in the lower half of the bath ensures the bubbling action is balanced throughout the bath.

Bath additives, oils and salts may be used to further customise the experience. In addition, the air-jet design does not corrode and allows an easy wipedown during cleaning.

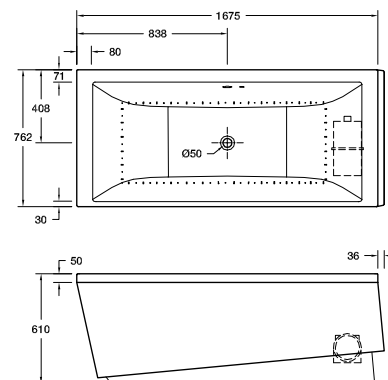

The BubbleMassage experience is both luxurious and meditative; stimulating the release of muscle tension and helping centre the mind.

Evok BubbleMassage baths come in Freestanding or Drop-In options and oval or rectangular shapes.

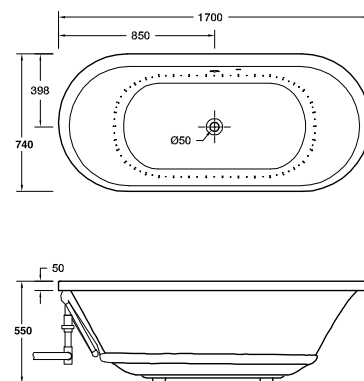

- Acrylic BubbleMassage bath (fully reinforced)
- 122 air holes releasing tiny, champagne like bubbles
- Freestanding Evok BubbleMassage has air blower positioned under acrylic apron
- Drop-in Evok BubbleMassage air blower can be positioned up to 3 metres away from the bath in a cupboard or behind wall (NB: ensure blower is accessible)
- Bath oils, salts and additives may be used as they will not corrode jets
- Includes waste, overflow, 1.5m hose for blower connection
- Includes detached heated air blower and pneumatic air switch operation
- Warranty: 5 years on acrylic bath; 1 year on pump and other components

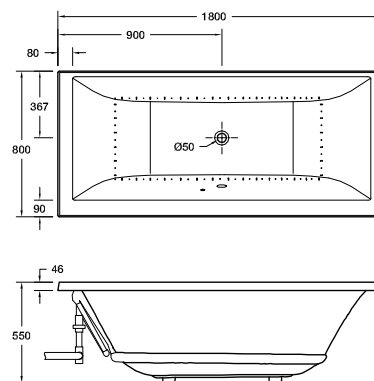

Oval Freestanding BubbleMassage Bath 18348A-GAB-0

Rectangular Freestanding BubbleMassage Bath 18344A-GAB-0

Oval Drop-In BubbleMassage Bath 18346A-GAB-0
